L.O. To recognise how connectives are used to join and separate clauses.

Connectives

Connectives connect one part of a sentence to another.

Some connectives are:

when	until	in case	since	until
	where	while	because	
	however	if	unless	but
even though	so	to	and	
then				

Re-write the story below in your book. Add in some connectives to make it more interesting. You can change or miss out some of the words if you need to. Underline your connectives using a ruler.

Abdul leaves his friend's house. He has had a fun afternoon. He takes the route home. He whistles softly. He scuffs his feet in the dry leaves. He pretends to dribble a football up the pitch. He passes a derelict church. He hears a sound. He stops. He listens. He hears someone crying. He pushes the gate open. He is scared. It creaks. He shivers. He looks around. He wonders whether there is anyone behind him. He goes through the gate.

How does the story end???
