

Name: _____ Date: _____

Area : Rectangles Using Formula 1

Calculate the areas of the following rectangles using the formula:

$$\text{Area} = \text{Length} \times \text{Width}$$

Write your answers in the spaces provided.

Remember to include the correct unit of measurement, i.e. cm^2 or m^2 .

Rectangle Number	1	2	3	4	5	6	7	8	9	10
Area										

These rectangles are not drawn to scale.
