and the responsibility not to waste it.

You have the right to be listened to,

and the responsibility to listen to others.

You have the right to free speech,

and the responsibility not to hurt others with what you say.

You have the right to friendship,

and the responsibility to make sure that no-one is left with out a friend.

You have the right to a good education,

and the responsibility to make sure you make the most of it.

You have many rights, but rights only come with responsibilities. Many children in our world do not have the same rights as you, make sure that you use your rights and take on your responsibilities seriously.
