

## Writing Instructions

### How to make a jam sandwich

- ◆ On your paper write a list headed **You Will Need**
- ◆ Underneath it write down what you need to make a jam sandwich..

There should be 5 things.

---

These instructions are in the **wrong order**.

Work out the **right order** then copy them out correctly:

- \* Use the knife to spread butter on one side of both slices of bread
  - \* Place two slices of bread on the plate
  - \* Cut the sandwich into four squares or four triangles
  - \* Spread jam on top of the butter on one of the slices
  - \* Eat and enjoy your sandwiches while they are fresh.
  - \* Take the slice of bread with no jam on and put it on top of the jammed slice.
  - \* The buttered side should go on top of the jam.
- 

Finally, draw a picture of the jam sandwich to go with your instructions.

If you think any other pictures would be helpful, draw these too.
