

Question Pack
for an
Archaeologist.

When archaeologists
find an artefact, they
will ask these questions.
**You can do the
same!**

**What does
it show us?**
Pictures? Decorations?

What might your
answer tell you
about beliefs or
everyday life?

**What is it
made from?**

What can you
learn about
what people
could do from
your
answer?

**What could
it have been
used for?**

What might your
answer help us
understand about
the people?
