

# If only they had read the notice

!!!

A collection of signs  
to help children to understand  
the need for reading

Compiled by June Boden

Illustrations by Cliff Chetta

Being able to read can keep you safe and out of trouble. It can even save your life.

**Read a notice.**

Where might you see a notice like this?

What might happen if you didn't heed the warning?

**POISON**

# Lions' Enclosure

**Keep doors and  
windows shut**
