Designing a new drink

My ideas for a brand new drink are:

The main ingredients will be:

I have chosen these because:

Some words to describe my drink are:
Designing a new drink

Packaging

Drinks packaging is usually

This is because

My design for packaging for my new drink would be

My design for my drinks label is (Sketch ideas)
Advertising

After looking at a range of TV commercials and listening to radio jingles we can say that

My ideas for a radio jingle are

If I were to design a TV commercial about my new product these would be my ideas.
Designing a new drink

Advertising

My new drink is called..................

The design of my advertising poster will be: (sketch ideas)

The slogan for my new drink is.............

I have designed my advertising poster like this because........................
Designing a new drink

Evaluating my work

What have I made and how??

Am I pleased with my work? Why? 😊😊

If I were to start again how might I improve my work? Why?

What have I learnt about designing a new product, designing packaging and designing advertising?
Designing a new drink

Did I enjoy this topic? Why?

My favourite part was..............................
