You are now going to adapt a basic biscuit recipe by adding a flavouring, colouring or a topping. You may like to add all three, or even just two of them. Be creative, but remember that the more you add, the more time it will take you to make the biscuits.

**The baking group:**

**The basic biscuit recipe:**

**We would like to add:**

**We are going to call our biscuits:**

**Points to look out for:** (make a bulleted list)

Can you remember what happened when we added an egg to the basic recipe?
