Designing and Making Sandwiches

In Design and Technology, we have been looking at healthy and interesting sandwiches. We have tested breads and fillings, decided what makes a balanced sandwich healthy sandwich and thought about taste and presentation.

This week we have designed our own sandwiches. On Friday _____________ we want to make our sandwiches in class.

Please may we bring to school on that morning, the following:

Equipment:

1. A chopping board
2. A cloth or some kitchen roll.
3. An apron
4. A table knife (not sharp)

Ingredients for my sandwich:

1. Type of Bread:

2. Fillings for the sandwich:

3. Decoration for my plate:

Please bring the ingredients in named plastic bags or Tupperware boxes. Please cook/slice any meats or eggs and grate any cheese/carrots as required. I will provide margarine and butter for the children.

If you would like to help, please return this slip to me.

I am able to help make sandwiches.

Please bring a sharp knife to help with any chopping.
1. Fill in the names of people who try your sandwich.
2. Show if they like, dislike or don’t mind your sandwich.
3. Find out why they made their decision.
