My Sandwich Design

Hygiene

What do you need to do before you prepare food?

iches

Evaluation

Did you like your sandwich?

What did you find easy when you made your sandwich?

-

What did you find difficult?

because

What would you change?

Looking at Other Sandwiches

Choose a sandwich that you would buy. Read the ingredients carefully and draw them individually below. Label each ingredient and write which food group they belong to.

Is this a balanced sandwich?

Our class' favourite sandwiches.

Number of children					

Tuna Cheese Egg Chicken Turkey

Sandwiches

Sandw

Design Brief

A local shop is finding it hard to sell their healthy sandwiches to children. They have asked for your help to design a sandwich that children will eat.
