

# MAD ABOUT THE BOY

by Mary Hooper

Imagine you are Mark.

His best friend moved to Australia but they write each other a long chatty letter at Christmas.

Write his this year's letter.

Make sure you tell about his Mother's new relationship and about Joanna's dad being his stepfather. Say how he might have felt about his new stepsister at first. Then how he might have felt towards the end of the book.

Write a nice, interesting chatty letter; you may need to make up extra things.
