

## The Day After

Have you ever read a book and wondered what might have happened to the characters in the book after the story had finished?

If you haven't then now is your chance to think about it.

Use the storybook that you are reading at home at the moment. I want you to continue the story from where the book ends. What happens to all the people in the story the day after the end of the book? Maybe they have another adventure.

Use your imagination!
