

## Past and Present Tense

Things that are happening now are written in the present tense.

Things that have already happened are written in the past tense. The clues for verbs written in the past tense are -ed endings.

### Task One

Match up the words on cards, one verb is written in the present tense, one in the past tense. Write the words in a list under these two titles:

Present

Past

### Task Two

These sentences are all written in the present tense. You must copy the sentence then write each sentence again in the PAST TENSE. The first one has been done for you:
