Writing Instructions

How to make a jam sandwich

- On your paper write a list headed You Will Need
- Underneath it write down what you need to make a jam sandwich..

There should be 5 things.

These instructions are in the wrong order.

Work out the right order then copy them out correctly:

- Use the knife to spread butter on one side of both slices of bread
- Place two slices of bread on the plate
- Cut the sandwich into four squares or four triangles
- Spread jam on top of the butter on one of the slices
- Eat and enjoy your sandwiches while they are fresh.
- Take the slice of bread with no jam on and put it on top of the jammed slice.
- The buttered side should go on top of the jam.

Finally, draw a picture of the jam sandwich to go with your instructions.

If you think any other pictures would be helpful, draw these too.
