Task Two – Put the sentences into paragraphs

Copy out the sentences into your book in the form of three paragraphs. Remember to leave a gap at the beginning of the line where the paragraph starts and also leave a line in between each paragraph.

Task Three – Redraft the paragraphs

Think about which sentences you can combine. Can you use a conjunction to join two sentences together? Can you put the sentences in a different order to make more sense? Can you put similar sentences together? Do you need to add or delete any sections?
