I can identify figures of speech.
In this chapter there are some figures of speech used. This is a well known saying used to describe something, such as she was on the warpath. This does not mean she was actually on a path that led to a battle. It means that she was angry and looking for someone to argue with.
What other examples can you find in these pages? Can you explain them?
I can use inference to find information in text.

Tilly suggests that Cecil's family could be involved with the badger baiting. What reasons does Tilly have for this? Do you agree with these reasons? Explain why.
Tilly's reasons

1. Cecil’s family have a private sign outside their drive.

2. Cecil knows a lot about badgers.

3. The house is in the middle of nowhere.

4. The family have only just moved into the district.

5. Cecil's family are a 'funny' lot!

6. Did the family move here as it's quiet to hide what they were up to?

7. They have outbuildings.
Tilly and the Badgers

Read pages 45 - 56.

I can scan for specific information.

Make notes on Cecil Lawson's house. Use these notes to write a detailed description of the house IN YOUR OWN WORDS.

Remember to highlight any words you are unsure of.
Tilly and the Badgers

Read pages 57 - 64.

I can show my understanding of inference.

1. On p61 William said "I see what my dad meant about them not being friendly."
What does he mean? Give examples of not being friendly.

2. How did Tilly react when her Mum said Mrs Lawson was coming for a reflexology session? Why do you think she reacted this way?

3. Can you think of reasons Mrs Lawson might be stressed?

1. Getting information out of Cecil was like getting blood out of a stone. Explain what this means.

2. Her Mum liked to pick up gossip. What does this mean?

3. Tilly and William overhear Mr and Mrs Lawson arguing. What do you think they are arguing for? Why is it no way to live?

Metalinguistics: carcasses p72
                mauled   p72
                vehemently p80

I can develop a character profile.
Look back at the character profile you did early on about Tilly. What could you add to it now? Focus on her personality, what kind of person is she? Give evidence to support your points.

3. Why does Tilly not want Cecil to read the notebook?

I can use a step plan.
Create a step plan to show reasons why these men might be the Badger baiters.

Discuss: Why did Tilly and William tell their parents a lie about where they were? Why did Tilly cover her mouth at the end of the chapter?
Tilly and the Badgers

Read p 117 - 124

I can show my understanding of the text.

1. Why do you think Tilly and William stayed in their hiding place so long after the men left?
2. Why do you think Mr. Sheridan didn’t tell Tilly and William’s parents about the police coming to see them?
3. On page 120 it says “Tilly allowing William to get his piece in.” What does this tell you about Tilly?
Tilly and the Badgers

Read pages p125-136

I can develop my understanding of a main character.

On p127 Tilly tossed her head and said "You're so smart!" to William. Why did she do this? Explain fully.

On page 129 after Tilly tells Mr Sheridan and William that Cecil's dad is the son of Mr Lomax, she sat back to enjoy her listeners' surprise. What does this tell us about Tilly? What else could we add to her character profile after these recent pages?
