

Help For My World 3 Ancient Egypt Screens

All screens were designed and the trusty A3000 about 10 years ago.
Some are ok others - well make your own mind up

Ancient Egypt

1. Measuring: measure in cubits and palms. 1 cubit = 7 palms.
2. Canopics: put the heads and organs on and in the jars. Use ref. Books.
3. Farming: make farming scene.
4. Numbers: count like an Egyptian. 1= straight line, 10 is inverted u, 100 is sign with loop to the right, 1000 is solid sign with pacman at the top 10 000 is finger shape.
5. Gods: put heads on gods . Use ref. Books.
6. Power: build up power pyramid. Use ref. books.
7. Time: make time line.
8. Papyrus, Stela and Hierogly: write like an Egyptian.
9. .Mummy: decorate a mummy- how cheerful.
10. Nets: make nets for 3d shapes.
11. Food: decorate wall of tomb with food- along the bottom are fish (above this is a fig and onion), bread, lettuce, beer, antelope, goose, cucumber, honey. Down the side: wine, radish, leek, beef, melon, egg, dates, carrot, cheese, pomegranate, beans, peas and duck.
12. Coffin: decorate a coffin.
13. Pyramid: explore a pyramid.
14. Seasons : make a yearly plan. Put months around the circle.

Time Name	Feature	Activity	Egyptian
June to October	Inundation	Building	Akhet
October to February	Emergence	Sowing	Peret
February to June	Drought	Harvesting	Shemu

15. Tutmask and Rameses: finish the pictures. Use ref. books.

16. Map: label and decorate a map.

Have fun. Dave Hollett. E mail me if you use these screen dhollett@yahoo.co.uk
