

Searching Living Library for Information

1. Open **Internet Explorer**
2. Click on **Living Library**
3. Click on **Primary** (if it asks you)
4. Click on **find**
5. In the box **type** as much detail as you can about what you are searching for. Use speech marks if you are looking for 2 words which are joined e.g. "United Kingdom" "Roald Dahl"
6. If you are just looking for pictures click on **pictures**
7. Click on **GO**
8. **Scroll down** the list to find the items that you are interested in
9. Click on the **large blue writing** to get more information
10. You can **print** this information, or pictures out. Press Print or click on file and print
11. Use the **back** arrows to go back to the list to look at another piece of information
12. **Close down** the program by clicking on the cross in the right hand corner of the screen
