

Name:

WALT: to use co-ordinates to find position

Remember to go across then up and co-ordinates always have brackets and a comma.

1. Record the co-ordinates for the halloween items.

Pumpkin (6 , 8)
Witch (8 , 1)
Flying witch (2 , 3)
Spider's web (1 , 9)
Ghost (9 , 7)

2. Draw pictures of these on the grid at the correct co-ordinates.

Witches hat (5,6)
Broomstick (10, 2)
Black cat (3, 8)
Bat (3, 4)
Culdron (5, 10)

3. Draw some pictures on the grid. List them below with their co-ordinates.
