

Above the line draw in an arrow to show approximately where the following should be.

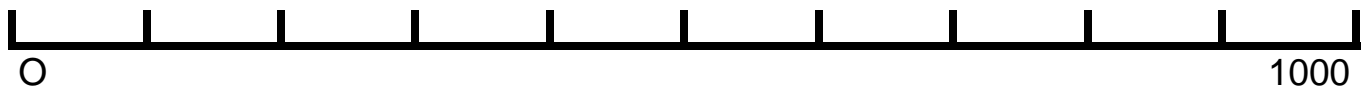

500    300    700    180    230    970

140    530    850    410    390    720

64    409    100    756    802    999

Write a number by each arrow to show approximately the number it represents.
