

## Rounding decimals Dominoes

Cut out the dominoes, shuffle and share between 3 children. Child with 'Start' begins, then they lay the dominoes rounding the number to the nearest whole number, or nearest 10th.

If 1 d.p - nearest whole number,

If 2 d.p - round to nearest 10th.

When all dominoes have been played, chn to write pairs of rounded decimals in books:

$0.56 \rightarrow 0.6$

$5.4 \rightarrow 5$

Start	0.6	1.4	3.6	2	1.6
0.56	1.43	3.64	2.2	1.61	4.27
4.3	5	5.9	6	6.3	10
5.4	5.91	6.1	6.32	10.3	10.73
10.7	7.4	7.1	9.2	8.3	8
7.38	7.14	9.19	8.31	8.2	End
