Time Homework

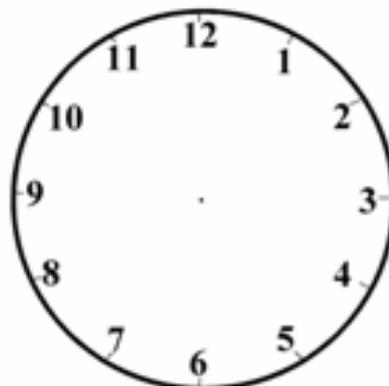

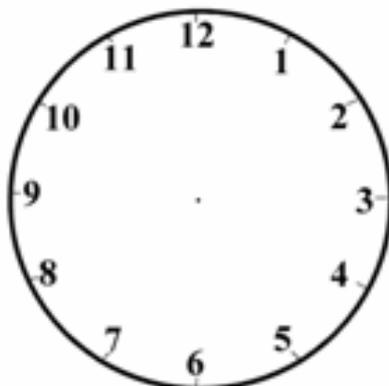

Look in a TV magazine or newspaper. Choose 5 of your favourite TV programmes. Work out how long each programme lasts and complete the table below.

Programme Name	Length of programme

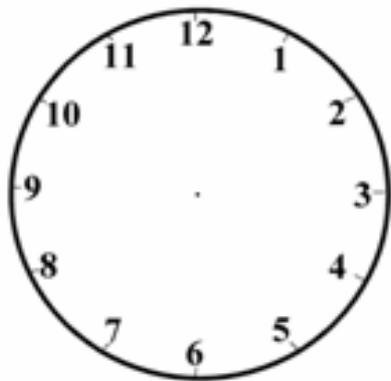

Which of your programmes lasts the longest?.....

Which of your programmes is the shortest?.....

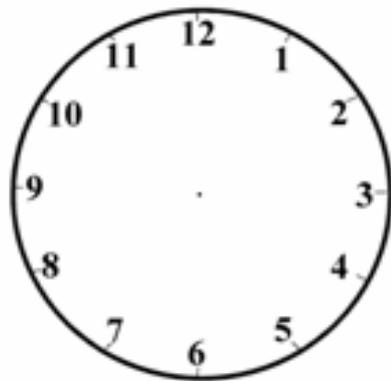

Draw the start and finish times of your favourite programme onto the clocks below:

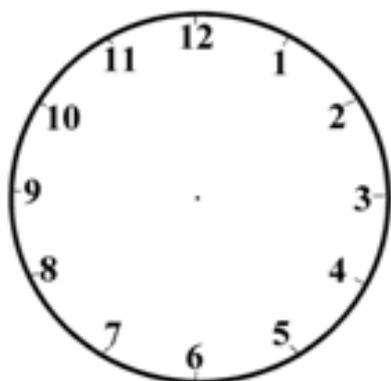

Draw the hands on the clock to show the same time as the words underneath.

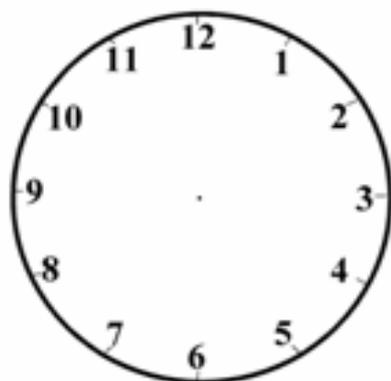

Twenty past two

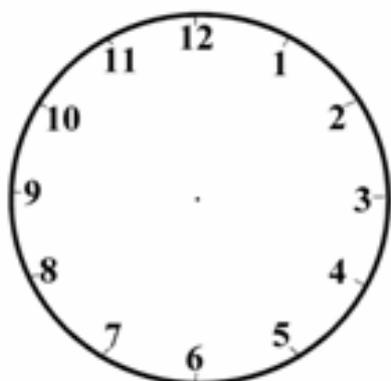

Half past nine

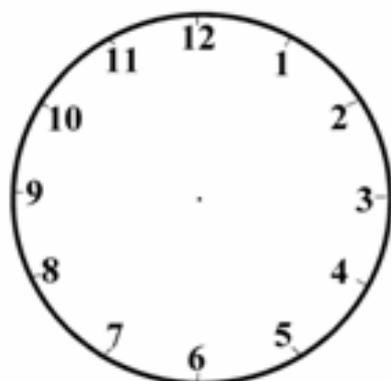

Ten to six

Quarter past three

Five to four

Twenty five to seven
