

# MY MYTH

## Final Paragraph

A large empty rectangular box for writing the final paragraph of the myth.

Finished? Check all three pieces of your myth...

- Is the spelling correct?
- Is the punctuation correct? Have you used capital letters and full stops?
- Does it make sense when you read it?
- Have you made your writing as interesting as possible using adjectives?
- Have you included the setting, characters, problem and solution?

Now you can illustrate your myth!
