

## Buildings

1. Think about each of the following types of homes / buildings.
2. In your books, for each one, draw a picture of the building and write next to it the following information.
  - What it is called
  - Who might live/visit there
  - What country they are mostly found in
  - What they are made of
3. Some buildings might have more than one answer for some parts.  
Choose the best answer you can think of.
