| 35 | 85 | 45 | 57 | 12 | 31 | 2 | 47 | 55 | 30 | 55 |

Your task is to divide by 5 each number in the grid above. If the number divided by 5 gives an answer with a remainder of 1 then colour it in yellow.
If the number divided by 5 gives an answer with a remainder of 2 then colour it in green.
If the number divided by 5 gives an answer with a remainder of 3 then colour it in blue.
If the number divided by 5 gives an answer with a remainder of 4 then colour it in red.
If you've coloured it correctly then you'll have revealed a picture.
