Name:_____ Date:_____

WAL: To work out the cost of an item from the change given.

If I give a shopkeeper and receive change I can work out the item cost me 8 pence.

10p – 2p = 8p

LOOK at the coin given, and the change back… work out the cost of each item.

Item	Coin given	Change	Cost
		4p	
		8p	
		10p	
		15p	
		4p	
		16p	
		28p	
		10p	
		5p	
		3p
