

LO: Word problems using column addition and subtraction.

1) Subtract 56p from 99p

2) Work this out.

$$70 + 83 + 13$$

3) Add 45cm + 90cm + 73cm

4) Jane has £3.40

She uses these coins to buy a birthday card.

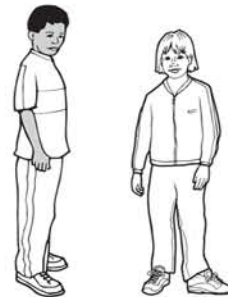

How much money has she left from £3.40?

5) Tom is 153cm tall.

Gemma is 124cm tall.

What is the height difference between them?

6) Lizzie buys 3 tickets at £16 each and 2 tickets at £11 each.

How much do the tickets cost altogether?
