Name:

PSHE: Achievements. Looking back and looking forward.

In PSHE you have been learning about *achievements.*
Soon you will be doing the front cover of your report. Plan what you are going to write in your achievement boxes below. If you have time, draw a picture of yourself on the back of this sheet.

Write about what you have achieved this year in school.

Write about what you would like to achieve next year.

Remember there are lots of different ways to achieve!!
