

A House Inside Out, by Penelope Lively

Which creatures have their stories featured in this book?

Can you think of any other creatures that could have been featured in this book and what sort of things do you think they might do?

Say something about the characters the author gives these animals. Explain what you like or dislike about some of them.

The form of telling animal stories in this way is called personification.

Can you explain what this term means? Look in a dictionary if you need help but put it in your own words.
