

There's a Boy in the Girls' Bathroom

by Louis Sachar

Write about the main character, Bradley. Include why you think Bradley had no friends; if you would have liked him if he were in your class, and why; say if you think he is a likeable character at all, and say how your feelings about Bradley changed throughout the story.

Write about the setting. Say how old you think Bradley and his class are in the story. The story is obviously set in an American school. Talk about what things are different and if these things spoil the story for you.

Were you surprised by this story? Explain your answer.
