

Rhyming word with common endings

Task One

Look at these word endings

-ight -own -eat -ake

You must make a neat list in your books of as many words as you can think of, or find in a dictionary, that end in these letters.

I have done one for you in each list.

-ight

Flight

-own

Flown

-eat

Feat

-ake

Fake

Task Two

For each list of words you must make another table and sort the words into groups of rhyming words.

Look at my example for the word ending **-ead**

-ead

mead

knead

lead

All the words in
this list rhyme.

dead

head

lead

All the words in
This list rhyme.

Remember that there may be more than two rhymes in each list.
