Double Negatives

Look at this sentence-

The boy **did not** have **no** bow.

It does not make sense because it has two negative words (a word that means no) in it. It should say-

The boy **did not** have **a** bow.

Task One

Here are the common words we use to demonstrate that something is negative-

No not nothing never nowhere We also add the letters n't onto words to make them negative, like doesn't.
