

Put the sentences back together Here's what to do:

You can find the sentence beginnings because they start with a capital letter and don't end with a full stop. You can find the sentence endings because they always end with a full stop. Use one of the words from the blob to join together each beginning and ending. You should find six full sentences.

the others are talking.

The March Hare wants to know

Alice would like some wine.

The Dormouse wakes up

The Mad Hatter is rude to Alice

Alice decides to go away.

**if so
while
though since
when**

they quarrelled last March.

The Dormouse is asleep

the Mad Hatter pinches him.

The Mad Hatter says that Time won't help him

she can't always make sense of it.

Alice is interested in their conversation
