

1. Cut out round the outer square.
2. Fold the Chatterbox along the 4 lines of symmetry and unfold.
3. On a flat surface, place the blank side up and fold each corner into the centre.
4. Turn it over and fold each corner into the centre.
5. Fold it in half. Facing outwards are 4 square flaps.
6. Put our thumbs and index fingers under the flaps. As you pinch your fingers together, the chatterbox will take shape.
