The smiley face is in B1
It moves 2 squares right
It moves 2 squares up
It moves 1 square left
Where is it now?

Now create your own set of moves and see if a partner can follow them and end up in the right place

Treasure Hunt - With a partner.
Each person chooses a square to hide their treasure, don't tell them where!
Take it in turns to guess where it is hidden. Remember to mark off on your square the ones you have chosen so that you don't forget.
First one to hit gold wins!

Dice Game

This is a game for 2 or 3 players.
You need 2 dice. One is labelled with letters.
Throw both the dice.
The dice will give you the coordinates for a square on your grid.
Put a cross in that square.
When you have 3 crosses in a row you have won.
