"I killed a lion and bear to protect my father's sheep," said David. "God will help me kill this giant."

Saul gave David his armour and weapons. But they were too big for David.

So without any armour, David went to face the giant. He stopped by a stream to pick up some stones and placed them in his bag. Then he stood before Goliath.

Then David put a stone in his sling and swung it around and around. The stone whizzed through the air and smacked Goliath right in the forehead. And the giant fell to the ground with a thud!
