Light Sources

Make a list of ten things in your house that give light.

1 n	nicrowave	6
2		7
3		8
4		9
5		10

- ◆ <u>Transparent</u> means: to be able to see clearly through something.
- ◆ <u>Translucent</u> means: to be able to see through it but not very clearly.
- ◆ Opaque means: you can't see through it at all.

Make a list of objects or materials in your house for each category

Transparent	Translucent	Opaque
